Learning together with God.

"I give you a new commandment. Love one another,
as I have loved you." John 13:34

This half term, we are thinking about our Christian value, Hope.

The Christian value of Hope means having faith in God's never failing love.

Hope

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah chapter 12, verse 11

Is my child too ill for school?

As we are coming into the winter term at school we wanted to share some guidance we have received from the NHS about mild illness.

It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above. We have been encouraged to share the [NHS 'Is my child too ill for school?' guidance](https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/?utm_medium=email&utm_source=govdelivery) (https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/?utm_medium=email&utm_source=govdelivery)

We are all aware that good attendance at school has a positive impact upon your child's academic learning but also on their social and emotional development.
