Thankfulness

Our Thankful Hands display in Reception Class

*Psalm 107 verse 1
'Oh give thanks to the Lord, for He is good, for His steadfast love endures forever!'*

We are talking about the importance of being thankful and remembering to let others know when we are thankful.

The children and adults are sharing their ideas, including being thankful for family, friendships and the people who help us as well as blessings such as a being greeted with a smile.

You are invited to share the attached Thankfulness Value sheet at home. We will add thank you chains brought to school to our gallery area next to the hall door.

Year 6 will attend a Holy Communion or Eucharist service in St Hilda's Church in Carleton at 1.30pm on Tuesday 30th January.

Canon Martin and Reverend Anne will lead the service.

Parents and family members of our Year 6 children are invited to attend this special service.

WELCOME

Welcome to Mr Rimmer. Mr Rimmer is joining our Year 2 class up until the end of June as part of his teacher training through BBL SCITT. Mrs Harley will still be teaching the Year 2 class as well as supporting Mr Rimmer in his journey to qualify as a primary school teacher.

THANKFULNESS

HOME SCHOOL VALUES

This term we will be focussing in school on the value **THANKFULNESS**. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER about Thankfulness

'Count your blessings' is an old saying, but it reminds us to be **thankful** and not take things for granted.

As a family you may like to talk about

- Remembering to let other people know when you are **thankful**
- Not taking things for granted
- Practical ways of showing gratitude
- How it feels when someone **thanks you!**

THINK TOGETHER Words of Wisdom

"God gave you a gift of 86,400 seconds today.

Have you used one to say **thank you**?"

The Man Who Came Back

Jesus was travelling along the dusty roads towards Jerusalem. At each village he was welcomed by people, happy to see him and listen to his teaching. But today, as he entered the village he saw in the distance a small group standing apart from the crowd. They were calling out, "Jesus, Master, help us, please make us well." These poor people had a disease called leprosy. They were terribly ill and no-one in the village wanted to go near them.

But Jesus didn't ignore them. He stood among them and prayed for them. As each of them went on his way they began to notice that their whole bodies were healing up. They were so excited that they immediately rushed off to share their good news. Well, nine of them did. The tenth turned and fell on his knees in front of Jesus and **thanked** him for what he had done.

"I healed ten people with leprosy today", said Jesus to the man. "Where are the others?". But then he smiled "Well at least you came back to say **thank you!**".

FASCINATING FACTS

Have you ever thought about how many people we have to **thank** for some of the everyday things that we take for granted? For example the milk we drink.

Thank you Mum & Dad for buying the milk,

Thank you supermarket workers for stacking the shelves and operating the cash tills,

Thank you lorry driver for bringing cartons of milk to the supermarket,

Thank you workers in the packaging factory,

Thank you milk tanker driver for collecting the milk from the farms and bringing it to the factory,

Thank you farmers for milking the cows.

HALL OF FAME

Laura Trott Track Cyclist

At the age of just 20 Laura won two gold medals in Track Cycling at the London 2012 Olympics. Then four years later in Rio, she won another two, making her the first British woman in any sport to win four Olympic gold medals.

It wasn't easy – as a child she suffered from asthma but enjoyed and competed in trampolining until she had to give up due to breathing problems. Then as a young teenager she took up cycling and at 17 won a junior title racing in the British championships.

Her inspiration to train and succeed as a cyclist came from a meeting with Sir Bradley Wiggins for which she will always be **thankful**. She chatted to him and wore his gold medal for a few moments. It felt amazing!

After her success in the Rio 2016 Olympics, Laura talked about her training programme – it is not just her hard work that brings success. She really is **thankful** for the whole team - managers, coaches, doctors, mechanics, therapists and so many more people - who encourage, motivate and support her.

HOME-SCHOOL CHALLENGE

Thank you chain

Think about how an everyday item reaches you: Where does it come from? Who was involved in making it? Who should you **thank**?

Make a **thank** you chain and bring it to school to hang in the Challenge Gallery.

FAMILY FOCUS

Time to say "Thank you"

Draw a clock face for your family to fill in together.

Choose one day and ask every one to think, as the hours tick by, about one thing in each hour that they would like to say **thank** you for.

Draw a picture of what you are **thankful** for in each segment.
